8829475 EZ SQUARE 45

8829481 EZ QUARTER CIRCLE BLOCK

EZ Quilt's new acrylic tools are great editions for any quilter. They're easy to use and thoughtfully designed. Allow them to inspire your next project; whether it be a modern take on a log cabin quilt or colorful hexagonal flowers!

## Introducing the new Flip N Set Ruler

To use the Flip N Set, measure one side of a block then look up that measurement on the ruler. This measurement tells you how wide to cut the strip of fabric. Cutting along the outside of the two diagonal edges of the ruler forms the two small sides of the triangle.

- **Folds open to cut triangles for 4" to 16" blocks**
- **Square corners on quilts**
- **No math to figure out!**

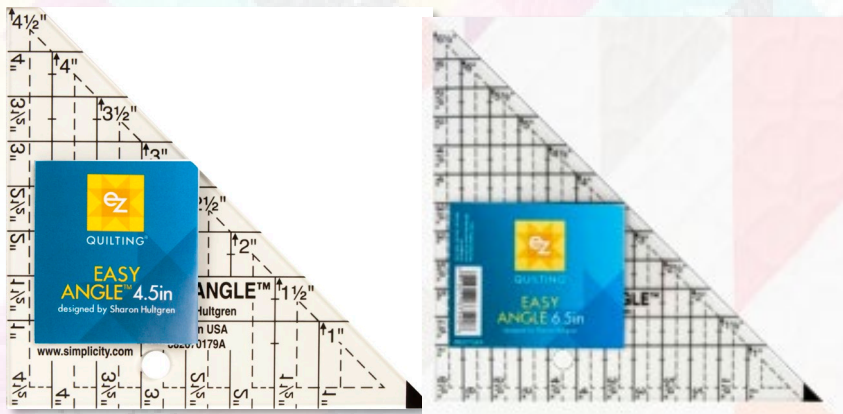

EZ quilt offer a range of acrylic easy angles to make the perfect half square triangles designs in a variety of sizes

# ACRYLIC TOOL SET

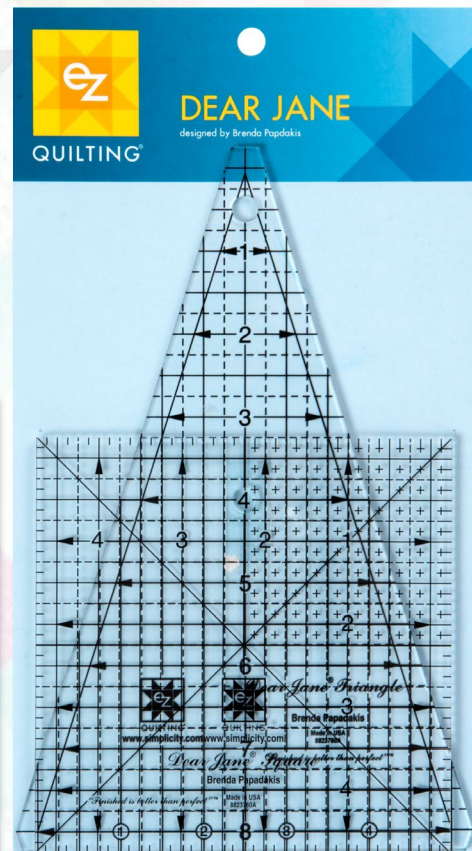

This traditional quilt design has inspired quilters across the world to create their own version of the 'dear Jane' and now you can too!

The Double Wedding Ring pattern is a traditionally made quilt that has long been a symbol of love and romance with its interlocking rings.

DEAR JANE WDG  
AND SQUARE

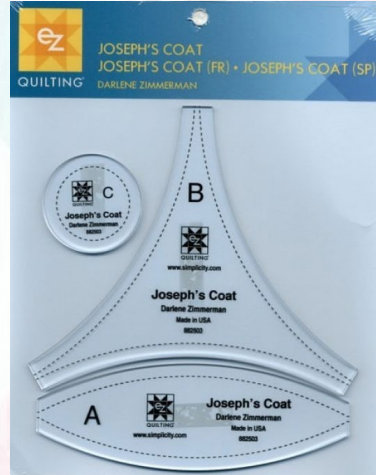

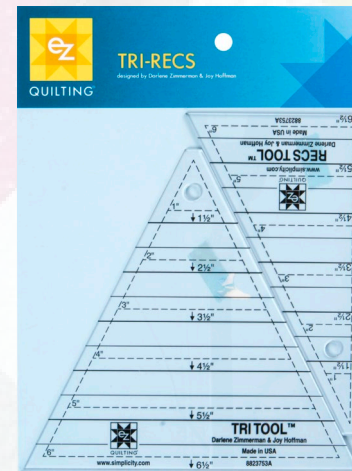

Maltese cross quilt block is another lovely traditional quilt dating back to the 1930s, clever fabric placement can create visually appealing kaleidoscope quilts.

882148 MALTESE CROSS ACRYLIC TOOL

This is traditionally a scrappy quilt, inspired by the Bible story about Joseph's "coat of many colors."

882503 JOSEPHS COAT

The Tri-Recs product is a set of two acrylic tools. Each can cut patches for many different sizes of triangle-in-a-square or peaky and spike units. The larger tool is used to cut the center triangle patches for the units from a strip of fabric
